General Game Procedures

WARMING UP IN FRONT OF GOALS IS NOT ALLOWED

Player identification cards are to be present and available at check in of all games.

All parents and spectators are required to sit on the side of the field opposite the players and no spectators or coaches are allowed behind the goals.

Teams are allowed up to 3 coaches on the sidelines with their team. All coaches on the bench must have a coach's card. Coaches are required to stay within the specific identified coaches box for the duration of the match. Coaches are not allowed to coach from the spectator side of the field.

U8 games will consist of two 20-minute halves.
U9 – U10 games will consist of two 25-minute halves.
U11 – U14 will consist of two 30-minute halves.

U15-U19 will consist of two 35-minute halves.

In the event an age bracket is combined, the game time will be decided by the older bracket. All times may be changed at the discretion of the Tournament Committee. Each half time should consist of a 5-minute break. It is the discretion of the referee to increase the half time. Water breaks are also the discretion of the referee. All games will be played with a running clock.

The referee is the official timekeeper, and therefore all decisions of this nature made by the referee are final.

Game ball: The home team shall furnish the game ball. 8U will use a size 3 ball. 9U – 12U will use a size 4 ball. U13 – U19 will use a size 5 ball.

Offside rule will be enforced U9 – U19.

U9-U10: All free kicks are indirect free kicks, no penalty kicks. If a foul occurs in the penalty area, you will bring the ball to the top of the arch and restart with an indirect free kick. The field will include a build out line. Once the goalie has the ball, the opposing team must drop behind the line and the goalie must pass, throw or roll the ball to a teammate (no punting). Once the ball leaves the goalies hands, the opposing team may cross the build out line and resume play as normal. Offsides will be enforced at the build out line.

U12-19 are allowed to head.

At the conclusion of each game, the referee shall complete a score card, including match results, cautions and ejections. Each coach is asked to sign the back of the game card at the end of the game to verify the ending score. All games will be officiated by a referee certified by IYSA/USSF.

The Tournament Director may change the duration or length of games, subject to the following:

- a) inclement weather,
- b) delay from relocation and/or rescheduling of any games,
- c) may cancel any games in the preliminary rounds which have no bearing on deciding group winners,
